

HARMONIC RESOLUTION SYSTEMS
R1X ISOLATION BASE

the foundation of great system performance

R1X ISOLATION BASE

“The R1X Isolation Base is derived from our high performance S1 Isolation Base design. It has the same primary isolation stage and 60% of the plinth construction of the S1 combined with a new innovative top and bottom panel that offers excellent performance and value for our customers.”

*Michael Latvis, Chief Engineer
Harmonic Resolution Systems Inc.*

The **R1X Isolation Base** is a highly innovative design that eliminates noise revealing a new level of musical performance. It is manufactured from five different materials including a proprietary resonance control stage and billet machined aircraft quality aluminum trim. The R1X load range is matched to the component weight for maximum performance using the same technology found in our high performance S1 and reference level M3X designs. The R1X can also be modified in the future to preserve initial investment. This is a unique product that offers our customers true Harmonic Resolution Systems performance that is derived from over a decade of experience creating industry leading designs.

**Broadband noise reduction
system maximizes performance**

**Highly effective on wide range
of surfaces and structures**

**Low profile compact design
minimizes space requirements**

**Adjustable load ranges
preserve initial investment**

**Integrates directly into all HRS
audio stands without modification**

**Selection assistance from
extensive HRS application library**

R1X Isolation Base Physical Characteristics

Model	Dimensions (w x d x h)	
	in	cm
R1X-1921	21 x 19 x 3	53.3 x 48.3 x 7.6
R1X-1719	19 x 17 x 3	48.3 x 43.2 x 7.6

NOTE: The R1X is available in black or silver finish.

R1X Isolation Base Load Ranges (independent of size)

Load Range	Supported Equipment Weight	
RD (Red)	0-60 lbs	0-27 kg
GN (Green)	60-100 lbs	27-46 kg
BL (Blue)	100-160 lbs	46-73 kg

Harmonic Resolution Systems (HRS) industry leading performance is derived from decades of engineering experience with audio, defense, and aerospace systems. All products are manufactured in the US by skilled craftsmen using superior techniques, exotic finishes, and proprietary materials. HRS is dedicated to producing the finest audio products in the world.
