

HARMONIC RESOLUTION SYSTEMS R3X ISOLATION BASE

a low noise floor is fundamental

R3X ISOLATION BASE

“The R3X Isolation Base is a great value for customers who want excellent isolation across entire audio band. The R3X is a true high performance product with the technology used in our S3 and M3X isolation base designs but at a fraction of the price of the most ambitious models.”

*Michael Latvis, Chief Engineer
Harmonic Resolution Systems Inc.*

The **R3X Isolation Base** is a highly innovative design that eliminates noise revealing a new level of musical performance. It is manufactured from five different materials including a proprietary resonance control stage and billet-machined aircraft quality aluminum trim. The R3X load range is matched to the component weight for maximum performance using the same technology found in our high performance S3 and reference level M3X designs. The R3X can also be modified in the future to preserve its value. The new custom plate material used in the R3X increases mass density 28 percent over the previous model at the same price point, making the R3X an exceptional performance value.

R3X Isolation Base Physical Characteristics

Model	Dimensions (w x d x h)	
	in	cm
R3X-1921	21 x 19 x 3	53.3 x 48.3 x 7.6
R3X-1719	19 x 17 x 3	48.3 x 43.2 x 7.6

NOTE: The R3X is available in black or silver finish.

R3X-1921 Isolation Base Load Ranges

Load Range	Supported Equipment Weight	
Yellow (YL)	0-30 lb	0-13.8 kg
Red (RD)	31-55 lb	13.9-25.1 kg
Green (GN)	56-95 lb	25.2-43.3 kg
Blue (BL)	96-150 lb	43.4-68 kg

R3X-1719 Isolation Base Load Ranges

Load Range	Supported Equipment Weight	
Yellow (YL)	0-35 lb	0-16.0 kg
Red (RD)	36-60 lb	16.1-27.4 kg
Green (GN)	61-100 lb	27.5-45.6 kg
Blue (BL)	101-155 lb	45.7-70.3 kg

Broadband noise reduction system maximizes performance

Highly effective on wide range of surfaces and structures

Low profile compact design minimizes space requirements

Adjustable load ranges preserve initial investment

Integrates directly into all HRS audio stands without modification

Harmonic Resolution Systems (HRS) industry leading performance is derived from decades of engineering experience with audio, defense, and aerospace systems. All products are manufactured in the US by skilled craftsmen using superior techniques, exotic finishes, and proprietary materials. HRS is dedicated to producing the finest audio products in the world.
